A key part of Rollingstone is its embrace of the community school concept. And central to this community idea is a strong after-school program for its students. When daily school is dismissed, every day of the school week, there will be a talented After-School Teacher supporting the students in a variety of ways. From outdoor play, to inside reading and quiet time, to an after-school snack, to group play – the After-School Teacher is a key part of the Rollingstone faculty.
