BE PART OF A DYNAMIC TEAM

### Rollingstone Community School

Located just west of the Mississippi River by Winona, MN and Winona State University, RCS is located in the rural community of Rollingstone.

RCS is a rural charter school that offers a balanced approach to STEAM learning in a diverse and inclusive environment for approximately 100 students Kindergarten through 5th grade. (First year will be 60 students K-5, growing each year.)

RCS believe that students learn to their potential when they are inspired. With rich STEAM content and a vibrant emphasis on personalized learning, students are empowered and encouraged to be active and engaged learners.

RCS faculty embody the values of academic excellence, a diverse and authentic community, and strong character building. Our teachers are themselves learners, constantly searching for ways to improve their practice. A robust professional development program supports our faculty.

### Teaching Responsibilities

The RCS Teacher will build a classroom culture in which students love learning. They will establish a positive classroom environment through proactive methods, a clear management system, and strong student rapport. And they will plan, prepare, and teach well-developed lessons that enthuse and inspire students and promote their enjoyment of learning.

The RCS Teacher will teach students through an inquiry-based STEAM curriculum and place the thinking work on all students. They will also deliver art, music, and STEAM instruction through a variety of learning /teaching methods. The RCS Teacher will design and administer a range of lesson materials and assessments that reflect an awareness of different learning styles and language skills. They will design and implement targeted reading literacy and math whole class and small group instruction according to student data and needs. Addition responsibilities may be assigned.
